Organ transplants have certainly become a

tricky issue. But I wonder if, in the near future, people will laugh and say. "Oh, there was a huge debate about transplants a long time ago." Someone close to me donated an organ to a stranger recently. That's why I've written this.

Tsutomu Takahashi

WHERE DOES A PERSON'S SOUL RESIDE?

IN THE HEART...

OR IN THE BRAIN?

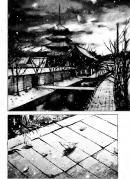

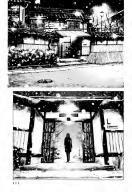

Mitsuharu Nagamatsu targeted while in prison

> Policeman hit and
